Dear Sir -

One of my Fascich N^o III
is wanted by

Mr. A. B. Langlois

Pointe à la Hache, La.

and I hope there is some way
of sending it to him cheaply
by steamer - If you will
drop a card to a local expressman
probably he will inform you
whether there is any steam line
between Boston & New Orleans.
Probably there is & it will
be much cheaper to send it
that way - Mr. Langlois did

not say anything about the
expense, but I would not
like to have him pay express
charges from Cambridge -
To morrow I start for
the Mts.

Yours truly

W. H. Carpenter.
